Profile

Hello, my name is Malek Ashraf ,and I'm 23 years old . I started studying programming at FCI Zagazig University in 2019 and Graduated in 2022, As a Software Engineer in department " Computer Science ".

During the time "2022-2023", I completed the **Military Status" _____ "** in Egyptian Military Academy which i worked as (graphic designer and video editor) at the Department of Computers. Results-driven full stack developer with expertise in front-end and back-end technologies. Seeking a challenging position in a dynamic organization that allows me to utilize my skills to create innovative and scalable web applications.

Experience

Graduation Project

I was responsible for Visualizing Data "Alon_1999 colon cancer Dataset " and Evaluate Models using "Machine Learning models" (RF- LR- SVM- DT- Multi layer Perceptron- KN- Stacking) To achive a best accuracy that we will use in a CSV file.
